

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

### REBATES AVAILABLE

**Rebates are tentatively scheduled to begin in April 2010. Rebates may be offered for a limited time only. The rebate program will end when funds run out. Before making a purchase, confirm funding and requirements at [www.cnmienergy.com](http://www.cnmienergy.com).**

PRODUCT	REQUIREMENTS	AMOUNT
Air Conditioners (Room)	ENERGY STAR qualified.	\$150
Clothes Washers	ENERGY STAR qualified.	\$300
Refrigerators	ENERGY STAR qualified.	\$300

### HOW TO APPLY

Interested individuals may apply in person for rebate voucher(s) at the CNMI Energy Office located on Capitol Hill, Saipan. Application forms also may be downloaded online; however, signed original documents must be submitted in order to receive rebate voucher(s). Disabled applicants may arrange with the Energy Division to pick up the signed rebate application forms and drop off the applicant's rebate voucher(s) simultaneously. Picture identification and a copy of a recent Commonwealth Utilities Corporation (CUC) utility bill are required at the time of application. All applicants must sign a release of CUC billing information for the purposes of data collection and analysis for three months prior to and six months after purchasing new ENERGY STAR appliance(s).

Rebate vouchers are available on a first-come, first-served basis.

## ELIGIBILITY

Once voucher(s) have been obtained, they may be used only at a participating retailer to cover a portion of the appliance purchase price. Limit one rebate voucher per product type per household. Applicant must agree to surrender their used appliance(s) replaced through this program to the program recycler no later than two weeks after receipt of the replacement unit(s). Applicants must provide directions to their residence in order for the recycler to pick up the used appliance(s).
